Dear Tom:

It gives me great pleasure to inform you that the Anglers of the AuSable have been selected to receive the prestigious 2017 Fly Fishers International National Conservation Award in recognition of the Anglers extensive, ongoing contributions to conservation of the AuSable watershed and ecosystem.

The award will be presented at the Awards Banquet on Wednesday, August 2, 2017 during the FFI's International Fly Fishing Fair in Livingston, Montana. We hope to that you or a representative of the club will be able to attend to accept this award in person. Please let me know if the Anglers will be represented at the awards presentation. Please keep this notification in confidence, as the recipients of the awards are not released to the public until the Awards presentation.

Again, congratulations on this very prestigious award. If you have any questions, feel free to contact me by email or by phone at 630-533-1009.

Most Sincerely,

Dave Peterson
